

Registration form Best Newcomer Award

Rules for participation in the B2B E-Commerce Awards

- The B2B E-Commerce Awards will be awarded to customers of Sana Commerce that have a live web store.
- Submitted cases must relate to a live e-commerce platform from Sana Commerce.
- A case must relate to the period of January 2020 until the present date.
- Sana Commerce customers can nominate themselves for a B2B E-Commerce Award by submitting their case as stated below. A professional jury will assess these cases.
- This case must be submitted by June 30, 2021. Submit your case (completed registration form + supporting evidence) by email to awards@sana-commerce.com.
- We recommend supporting cases by showcasing data and concrete initiatives. You may do so with pictures, screenshots and/or video whenever possible.
→ *All winners of the B2B E-Commerce Awards 2020 were elaborate in their answers and documentation!*
- Clearly refer to the titles of relevant supporting material. E.g. “Our turnover increased by 10%, as can be seen on image “Analytics screenshot turnover 2021.””
- There is no limitation regarding the number of categories a company can enter.
- The data submitted in the case will be used by the organization of the B2B E-Commerce Awards to substantiate why a company has been chosen for the top 3 or as winner. This data can be used in the award ceremony, on the web page of the B2B E-Commerce Awards or on the social media pages of Sana Commerce.

About the “Best Newcomer Award”

For this award, it is required for the Sana Commerce Customer to have had a go-live **on or after January 1, 2020**.

This means we will be looking at which relatively inexperienced Sana Commerce customers have already achieved good results with B2B e-commerce. This includes sales results, internal and external adoption, improved internal efficiency and increased customer satisfaction.

Contact details for this submission

To which company does this application apply?

What is the first and last name of the contact person for this case?

Please share your email address for correspondence

On which phone number can we reach you (only if necessary)?

What is the URL of the web store for this case?

If the web store is (partly) closed, please provide awards@sana-commerce.com with a login so we can access the entire web store. Share the details in the field below.

Questions for this case

1. When did your Sana Commerce web store go live?

2. What results have you achieved with the platform since then?

(Listed below you can find various factors that you can consider substantiating your case, but there are many more successes that can be thought of!)

- Workload support department (phone orders/emails vs. web store)
- Internal efficiency
- Sales figures
- Order value
- Percentage of customers/orders via web store
- Margin of errors on orders
- Customer satisfaction or retention
- Traffic on web store
