### B2B E-Commerce Manager of the Year Award

#### Rules for participation in the B2B E-Commerce Awards

- The B2B E-Commerce Awards will be awarded to customers of Sana Commerce that have a live web store.
- Submitted cases must relate to a live e-commerce platform from Sana Commerce.
- A case must relate to the period of January 2020 until the present date.
- Sana Commerce customers can nominate themselves for a B2B E-Commerce Award by submitting their case as stated below. A professional jury will assess these cases.
- This case must be submitted by June 30, 2021. Submit your case (completed registration form + supporting evidence) by email to [awards@sana-commerce.com](mailto:awards@sana-commerce.com).
- We recommend supporting cases by showcasing data and concrete initiatives. You may do so with pictures, screenshots and/or video whenever possible.
  - *All winners of the B2B E-Commerce Awards 2020 were elaborate in their answers and documentation!*
- Clearly refer to the titles of relevant supporting material. E.g. “Our turnover increased by 10%, as can be seen on image “Analytics screenshot turnover 2021.””
- There is no limitation regarding the number of categories a company can enter.
- The data submitted in the case will be used by the organization of the B2B E-Commerce Awards to substantiate why a company has been chosen for the top 3 or as winner. This data can be used in the award ceremony, on the web page of the B2B E-Commerce Awards or on the social media pages of Sana Commerce.

#### About the “B2B E-Commerce Manager of the Year Award”

For this category, you can nominate that one colleague who takes the lead in the field of e-commerce. This can be an e-commerce manager, but in smaller companies this can also be someone with a broader function. In this case, we want to see clearly how this person gives substance to e-commerce within your company: How does this person create support? How does this person remain original and up-to-date within the field? How does this person make the web store successful?
